WBL GOES VIRTUAL

supporting in-company mentors in digitalising their trainings

ABOUT WBL GOES VIRTUAL

Work-Based Learning (WBL) is an essential part of Vocational Education and Training (VET) all over Europe. The COVID-19 pandemic demonstrated the need to find alternative ways to keep work-based learning processes alive when it is not feasible to meet in person. The training programme and the digital toolbox are designed to serve WBL mentors well and equip them not only with necessary knowledge, skills, and competences to train their learners digitally, but also with suitable tools they can easily access and apply in their daily work.

TRAINING PROGRAMME

- modular learning units
- delivered in virtual & real setting
- guided and self-directed learning

DIGITAL TOOLBOX

- 20 tools to digitalise WBL content
- instructions & templates
- for beginners and experts
